MADISON WI 53719

Dear Mr. Trapp:

Madison Building Inspection is currently only issuing permits for projects defined as essential infrastructure as outlined in Governor Evers Emergency Order #12- SAFER AT HOME ORDER. This order includes a directive that optional or aesthetic construction should be avoided. To comply with this directive, no new permits for occupied home renovations will be issued until this order is no longer in effect or a superseding order is issued.

Permits will continue to be issued for items that that directly impact the safety and habitability of properties, this includes but is not limited to electrical service changes, water heater replacements, furnace replacements, and roof replacements.

Sincerely,

A handwritten signature in red ink, appearing to read "Kyle Bunnow".

Kyle Bunnow
Housing Inspection Supervisor
